

## Leaf Pick-up for the City of South Haven:

The early arrival of snow last Fall narrowed the City's leaf pickup efforts to approximately 3 weeks. Therefore, the City of South Haven will be picking up leaves this Spring. Weather permitting, the trucks will be making rounds throughout the city beginning immediately. The street crew will complete one side of the street and return to do the other side. This may occur on a different day. In an effort to assist the city street crew, please rake your leaves to the parkway (the area between the sidewalk and the street) as soon as possible. **Please do not rake them into the street.** Doing so will clog the storm drains and also make it difficult for the leaf truck to pick-up your leaves. The City anticipates completion of leaf pickup by Friday, April 10. The City of South Haven appreciates your time and attention to this matter. If you have any questions, please contact the Public Works Department at 269-637-0737.
