PUBLIC NOTICE

FOR IMMEDIATE RELEASE

December 16, 2009

SUSPENSION OF ALL NON-EMERGENCY WATER AND SEWER TAPS

As of December 16, 2009, the City of South Haven Public Works Department has suspended all non-emergency water and sewer taps for the duration of the winter season. Taps must be suspended due to the inability to adequately repair pavement during the winter months. Emergency taps are available on a case by case basis. Please contact the Department of Public Works at 637-0737 to inquire about the feasibility of an emergency tap or to determine if service lines are already available to your lot.

Non-emergency taps are anticipated to resume on or around April 15, 2010.
