PUBLIC NOTICE

For Immediate Release

November 1, 2011

(SOUTH HAVEN, MI) On Wednesday, November 2, 2011, the South Beach Parking Lot will be closed for reconstruction. The parking lot and adjacent recreational facilities are being renovated and reconstructed. Due to the nature of the construction work, "through" traffic will be prohibited until pavement restoration is completed in the spring of 2012.

Water Street will be closed at the entrance to the river front parking lot. Erie Street will be closed west of JR Monroe Blvd.

The Water Street parking areas and river front parking lot (across from the Water Filtration Plant) will remain open for public parking. The beach area and HarborWalk are accessible to pedestrians from these two parking areas.

The City of South Haven appreciates your patience as we complete this critical work. Questions may be directed to Larry Halberstadt, PE, City Engineer; Department of Public Works; 269-637-0770.

---South Beach Improvement Project Design attached.
