CITY SIDEWALK SNOW REMOVAL EFFORTS IN THE EVENT OF SNOW

FOR IMMEDIATE RELEASE – (South Haven, Michigan) In the event of a snowfall, the City of South Haven will continue its past efforts to assist with clearing sidewalks adjacent to major streets which are generally used as walking routes to school buildings, and to assist with the clearing of sidewalks where an extensive length of the sidewalk is negatively impacted by the City's snowplowing. Businesses within the Downtown Development Authority (DDA) are provided sidewalk snow removal through a DDA contract.

The removal of snow from sidewalks throughout the City and in the core downtown are highlighted in the attached Department of Public Works snow removal map.

For sidewalk snow removal questions in the City, please contact the Department of Public Works at 269-637-0737.
